Market Street Research Gains National Recognition

Local Diversity Business Named among Massachusetts's Top 50

January, 2007 – Northampton, MA – In recognition of the economic power of multicultural businesses, DiversityBusiness.com, the nation's leading multicultural internet site, recently named Market Street Research as one of the "Top 50 diversity-owned businesses in the state of Massachusetts (Div50) for 2006".

The Div50 is the 7th annual listing of Massachusetts's top 50 diversity-owned businesses. Ranging in revenue size from \$1 million to over \$93 million, the companies listed on the Div50 represent the state's top multicultural earners and challenge the long-held notion that a diversity-owned business is small or insignificant. Div50 members are sought after by major corporations wishing to increase spending with diversity owned companies.

The Impact of Diversity Business

Affected by recent economic and demographic trends and changes, Fortune 1000 corporations throughout the country have recognized that buying products and services from diversity owned companies positively impacts their business. Diversity-owned businesses contribute over \$1.4 trillion in sales to the U.S. economy.

"Diversity businesses and consumers are a growing force in the U.S. economy, and a force to be reckoned with," said Kenton Clarke, CEO of Computer Consulting Associates International, the company that built DiversityBusiness.com. This is a whole business segment that can carry its own, that provides jobs, products and services, and generates wealth for their communities. These are the new leaders in American business."

Gloria Bohan, CEO of Omega World Travel in Fairfax, Virginia commented "This group represents the entrepreneurial spirit that drives our economy and even more. It offers insights into a vastness of cultures and an exchange of ideas that are so valuable in helping me to understand how to reach the needs of today's consumers".

"We're so proud to again be counted among the best of Massachusetts's Women and diversity owned businesses," said Market Street Research's CEO, Dr. Julie Pokela. "We look forward to climbing in the rankings in years to come."

The Div50

The Div50 is a classification that represents the top 50 diversity-owned (Women, Blacks, Hispanics, Asians, Native Indian and other minority groups) businesses in Massachusetts in sectors such as technology, manufacturing, food service and professional services. Large organizational buyers throughout the country that do business with multicultural and women-owned businesses use the list. The Div50 is produced annually by DiversityBusiness.com, the nation's leading multicultural B2B Internet portal that links large organizational buyers to multicultural product and service suppliers.

The winning companies will be honored at a special awards ceremony at DiversityBusiness.com's "7th Annual Multicultural Business Conference", taking place April 11 - 13, 2007 at the Mirage in Las Vegas, Nevada.
